Why Delf? Between 1954 and 1986 MH Bland & Co Ltd owned and operated a car and passenger ferry between Gibraltar and Tangiers. Her captain, Don Delf OBE was known to all as the 'Wolf of the Seas.' When the land frontier with Spain was closed in 1969 the Mons Calpe became an invaluable link to Morocco. He ensured she continued to sail in all weather and kept basic necessities such as fresh fruit and vegetables and oxygen for the hospital supplied to the Rock.
